NETWORK PROFESSIONAL TRAINING

English Conversation

PROFE

Introduction

English Conversation course is for candidates concerned about enhancing their English language proficiency and eligibility. Learning to speak English clearly, with proper pronunciation is the single most important skill you must have to communicate effectively in today's world.

It is designed to help you sound like a native speaker for oral presentations, interviews, training, telephone conversations and daily communication.

Course Domains:

- The language of business meetings (idioms and phrases to sound professional in the workplace)
- Presentation language
- Email writing (formal – informal)
- Business telephone conversations
- Common business topics (negotiation - managing change – teamwork – leadership – customer care)

Course Objectives:

- Have their listening and speaking skills improved
- Produce intelligible pronunciation as well as stress and intonation patterns
- Be more confident in expressing themselves
- Be able to use expressions and idioms efficiently
- Have rectified a wide range of common grammar and literal translation mistakes

Duration:

- 40 hours
